

# ABC Hanging Systems Installation Instruction

First of all, congratulations and have fun with your purchase!

You have just acquired a luxurious hanging system that can be used in combination with the Atman Buddhi Concentration (ABC) instruments. The hanging system can be used in combination with an ABC pyramid so that it can be hung above a chair or somewhere in a room, for example. For the various options, we refer you to your ABC contact person.

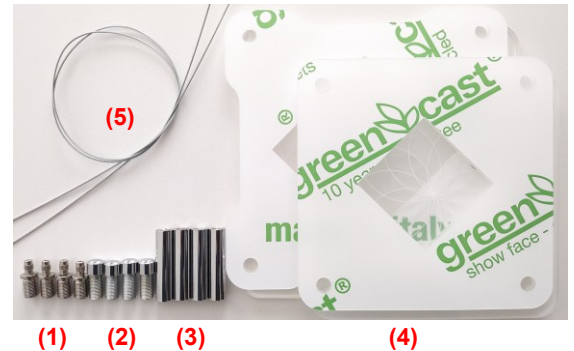

Versions:

- Hanging System Mini, intended for the 10cm Atman Buddhi Concentration pyramid
- Hanging System Flex, intended for the 14cm Atman Buddhi Concentration pyramid.

## Scope of delivery

From left to right in the photo:

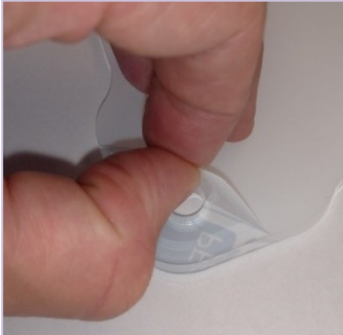

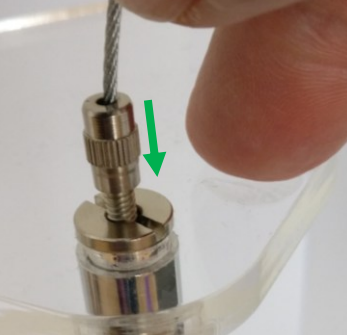

- (1) 4x cable lock
- (2) 4x end cap with screw socket
- (3) 4x chrome stand
- (4) 2x plateau (1x with Lotus engraving + 1x with hole)\*
- (5) 2x approx. 60cm steel wire

- \* The Flex hanging system comes with two large plates with a notch on the sides (in the picture the bottom two plates)
- The hanging system Mini comes with two plates that are straight on the sides (pictured are the top two plates).

## Installation instruction

Follow the instruction with the photos below:

			
<p><b>Step 1:</b></p> <p>Remove the protection foil from the plateaus (4).</p> <p>The plateau with hole is foiled on both sides, the plateau with Lotus engraving only on the non-engraved side.</p> <p>Then place the plateaus on a soft surface so they cannot be damaged.</p>	<p><b>Step 2/3/4/5:</b></p> <ul style="list-style-type: none"> <li>- Take the plateau with hole (4). Put the cable locks (2) one by one through the holes in the corners and screw them securely on the chrome stands (3).</li> <li>- Turn the plateau with the stands to the top,</li> <li>- Place the pyramid.</li> <li>- Carefully place the plateau with Lotus engraving (4) on top of the stands, so that the holes in the plateau are positioned above the stands. It is recommended that the engraving be positioned at the top.</li> </ul>	<p><b>Step 6/7/8:</b></p> <ul style="list-style-type: none"> <li>- Insert the end caps with screw sockets (2) one by one through the holes in the top plateau and screw them securely on the stands,</li> <li>- Set the ABC hanging system down on the end caps, with the cable locks up,</li> <li>- Take a cloth and wipe any fingerprints from the chrome stands and the plateaus.</li> </ul>	<p><b>Step 9/10/11:</b></p> <ul style="list-style-type: none"> <li>- Take one of the steel wires (5), loosen the lock of the cable lock and push the bushing of the cable lock inwards while guiding the cable approx. 6cm inwards <u>until a resistance is felt</u>. Then tighten the lock again.</li> <li>- Take the other side of the cable and loc kit into the cable lock on the opposite side in the same way,</li> <li>- Repeat this action with the second steel wire (5) to create a cross-hanger system and hang the hanging system.</li> </ul>

**The installation is successful, have fun with your ABC Hanging System!**
