* For the Lotus Support Frame, the plateau is designed as a closed plate with a Lotus of Life engraving. This plate has a protective foil only on the non-engraved side, which must be removed. Mount the plate with the engraving on the bottom and simply follow the installation instructions.

For the Support Frame Mini, the plateau is slightly smaller and square without notches, the installation instruction is the same as that of the normal ABC base. Note: the Support Frame Mini is only suitable for the 10cm ABC pyramid and 10 and 12cm ABC sphere!
